

Reach 70,000 South Bay Employees

Our bi-monthly magazines boast a circulation of approximately 70,000 to employees in the South Bay. We estimate a readership of 175,000 based on a household of two and a half persons per magazine (spouses, children, relatives). These magazines are distributed through Employee Associations, Human Resources Departments and other Employee Service organizations.

Raytheon Events 12,000 circulation

Distributed to Raytheon Corporation employees in the South Bay

Located in El Segundo, Raytheon Corporation's Space and Airborne Systems (SAS) is a \$3 billion world leader in integration systems and solutions for advanced missions. They are recognized as a global innovator in the development and production of sensing and other systems for unmanned aircraft.

So. California Happenings Distributed to employees of Boeing Space & Intelligence Systems

Boeing Space and Intelligence Systems (S&IS) is the world's leading manufacturer of geostationary satellites. The factory, known as the Satellite Development Center, (SDC) is headquartered in El Segundo. At any given time more than two dozen of these powerful spacecraft are in varying stages of production.

NG Connection 6,000 circulation

Distributed to Northrop Grumman Space Technology employees

Northrop Grumman is a premier developer, integrator, producer and supporter of manned and unmanned aircraft, spacecraft, high-energy laser systems, microelectronics and other systems and subsystems critical to maintaining the nation's security and leadership in science and technology.
